## KEY-WHITMAN EYE CENTER

Adult Ophthalmology/LASIK/Premium Lens Implants/Cataract Surgery

This year Key-Whitman Eye Center celebrates 50 years of providing excellence in eye care to North Texas. The Plano clinic has provided services in Collin County for more than a decade.

Dr. Kimberly Warren received her undergraduate and medical degree from Texas Tech University. She completed her residency in ophthalmology and fellowship in glaucoma at the University of Texas Southwestern Medical Center in Dallas. Dr. Warren is board certified in general ophthalmology by the American Board of Ophthalmology and specifically board certified in LASIK and cataract surgery by the American Board of Eye Surgery. She has been an integral part of the Key-Whitman staff since 2000. She resides in Plano with her husband and three children.

Dr. Faisal Haq received his undergraduate and medical degree from Boston University. He was chief resident in ophthalmology at the University of Illinois. He completed his fellowship in cornea, external disease, and refractive surgery at the New York Eye and Ear Infirmary. Dr. Haq is also board certified in general ophthalmology by the American Board of Ophthalmology and specifically board certified in LASIK and cataract surgery by the American Board of Eye Surgery. He joined Key-Whitman in 2006 and lives in Plano with his wife and two children.

Both Dr. Warren and Dr. Haq provide a full range of adult vision services, including comprehensive eye exams, management of glaucoma and corneal disease, and cataract surgery. They offer the latest in vision correction surgery including all-laser, blade-free LASIK with Intralase® for the treatment of nearsightedness, farsightedness, and astigmatism. Premium lens implants such as Crystalens® and ReSTOR®, which improve vision at all distances, are also available.
